

AMENDMENTS TO THE DRAWINGS:

Replacement Drawing Sheets 1-2, containing revised Figures 1-3, are attached hereto to replace the drawing sheets submitted with the PCT International application PCT/EP2005/001397. Generally, the drawings have been formalized to conform with the requirements of 37 C.F.R. 1.84, and, specifically, to replace German words with English translations where appropriate. Applicant respectfully submits that no new matter is added by these amendments.
